*Bis Millaa Hir Rahmaa Nir Raheem*

*(In the name of ALLAH, Ever Gracious, Ever Merciful.)*

### **Do you know what is going on around the world?**

1. Islam is under pressure and attack all over the world from Christians, Jews, Hindus, IMF, World Bank, Radio, Television, Print Media, Journalists and Politicians. Their attack is relentless and it is from all sides—political as well as economical.

2. Take any problem of the world and you will find that religion is the end cause of them all.

3. Today Islam is being maligned and misrepresented with ulterior motives. Anti-Islam propaganda is on the increase. Anti Islam forces do not miss an opportunity to belittle or insult Muslims. They mitigate the importance of Islam. Mosques are being demolished, burned and even debarred by barbed wires, mounted horses and guns.

4. The question is why all this burst of anti Islam propaganda, prejudice and hatred now?

5. The answer is— because Islam, Once again, after the Second World War, is on the rise. There is once again the renaissance and the resurgence of Islam. The Qur'aanic Truth is asserting itself once again.

6. With the ascendancy of Islam in future, the present Capitalist System together with its moral, family and educational system are bound to suffer. Hence the attack is on Islam.

7. Islam does not permit the accumulation of wealth in a few hands. In Capitalist System there is an inward flow of wealth from many to a few. Contrary to this, in Islam there is an outward flow of wealth from a few rich to many poor. Also, Islamic social, moral family and spiritual values are par excellent compared to those of West.

8. Due to these opposite and contradictory ideals and perceptions the situation is critical for the Muslim world at present.

9. In order to neutralise the evil propaganda and to correct the people's misplaced faiths, I am trying to do a little bit on three fronts.

10. **Firstly**, I write a few Islamic Books. I then get them printed in thousands. Then I post them and distribute them to various countries of the world so that the truthful message of Glorious Qur'aan reaches the farthest corner of the world and it opens their eyes to the Majesty and Glory of Holy Qur'aan—the uncorrupted Divine Word of ALLAH.

11. **Secondly**, I project the correct and worth emulating Personality of Prophet Muhammad (Sal Lal Laahu 'Alai Hi Wa Sallam) to those who are unfamiliar with ALLAH's last Messenger's Personality. In my books, I try to show them how his great personality was interwoven with the commands of Glorious Qur'aan—which is the uncorrupted Divine Word of ALLAH.

12. **Thirdly**, I did extensive research work on Bible and Christianity. I was concerned and dismayed at their Spiritual Plight. In order to help them erase their misplaced faith. I wrote seven small books on Christianity. I got them printed in thousands and then distributed and posted them to various organisations—the world over.

13. I visit churches, hold discussions, talk to Christian audiences and hold informal debates. I have converted some Christians to Islamic Faith—one of them was a Christian priest!
